- **Introduction**
- **This call will be placed within 24-48 hours of removing the child.**
 - All Parties participating in the call will Introduce themselves
 - At this time would be a good time for the Foster Parent to introduce themselves and maybe inform the parent the night the child had.
- **Explain the All about Me meeting**
 - Purpose of the Meeting – Building a positive relationship for family and child while working together. We share this child for now (reassuring parent)
 - Who should be present
 - Length of time expected (I.E. about 1 Hour)
 - Location
 - Select tentative dates or schedule meeting if everyone is available to meet (prior to meeting contact resource manager or network worker to discuss three possible dates)
- **Discuss Children's Pertinent Healthcare needs or Medications or any Immediate concerns (I.E. Allergies, medical emergencies, Behaviors, triggers or things to comfort them.)**
- **Close the Call with the Foster parent ensuring the Parent the child is safe and how their night went. (Visitation conversation) We share this child for now!. (again reassuring parent)**
